

The science of happiness ®

# Moving on.

Everyone has problems.  
Happy people know that they will pass.

① Think of a big problem you had in the past.  
How will you explain it in English?

② What helped you get past the problem?  
Something you did? Someone else? Time?

③ Work with a partner.  
Talk about the problem.  
How did you get past it?

Partner, comment:

Language focus: past narrative  
Positive psychology focus: Happy people learn to deal with stress and problems.
